The Football Season

By Peter Guild

The Governor Dummer eleven began a good season with a poor start at Groton where we played after only six days of drill. On the first kickoff "Scoop" Sutton thrilled the crowd by running 63 yards for the opening touchdown of the season. Groton soon evened the score, and thereafter whenever the Governors scored, Groton scored. Although we lost, the game gave the coaches a good chance to study the weaknesses of the team. Final score: Groton 20, Governor Dummer 13.

A well-coached Thayer team again this year gave us a lot of trouble. In the first home game of the season, a thriller, after a see-saw, ding-dong, up-and-down-the field struggle with only four minutes to play, Thayer scored. Then the Governors received the kick-off and worked the ball to the one-yard line, where an unfortunate fumble gave Thayer the ball. The game ended with Thayer 7, Governor Dummer 0.

Next we played the Harvard Lowell House team on Morse Field. The Governors were not clicking in this game, and there was no score until Captain Du Grenier and Brock Martin combined their efforts after pushing the ball 55 yards down the field, for the only score of the game.

Saturday, October 18, was a big day here at South Byfield when the Milton squad, undefeated in two years, came to play us. Last year we were the only team to tie them and they wanted to revenge that tie. This fall whatever Milton would pull out of the hat, we would find something to stop it with. Under the spectacular quarterbacking of John Canepa, the Governors surprized and delighted our bleachers by scoring four times and holding Milton scoreless. Milton came close to scoring on a potential "T. D." pass which was intercepted by our six-foot-five Rod Jennings. The game ended: Governor Dummer 26, Milton 0.

A week later we played Belmont Hill at the Murphy General Hospital for Army Veterans. The Governors gave Belmont Hill an upset they were not expecting. High-scoring Rod Jennings went over twice for thirteen points and Brock Martin slashed around end to score another touchdown. Returning the half-time kick-off, Capt. Frank Du Grenier hurt his ankle and was out of the line-up for the rest of the season. This was a beautiful game to watch and a good game to win. The final score was Governor Dummer 20, Belmont Hill 7.

After a long trip down to Providence, R. I., to play Moses Brown, the Red and White showed no ill effects from the traveling as they went out on the field. This game, played in the first really cold weather of the season, was closely fought throughout. Our two touchdowns were scored by "Scoop" Sutton and Johnny Canepa. The final score: Governors 13, Moses Brown 13.

Tabor's well-drilled team this year again proved too powerful for us. Throughout the game the Governors tried to utilize every scoring opportunity but were held to a final score of: Tabor 27, G.D.A. 13.

This was one of the best seasons that Mr. Sager, the head coach, has had in several years. He, and his assistant coaches, Mr. Murphy, who coached the ends, Mr. Hasse, and Mr. Currier who coached the line, had only five returning lettermen around which to build a team. Through long hours of hard work drill a winning team was turned out. The highlight of the whole season was the defeat of Milton Academy. That victory will be long remembered here at school.

The Soccer Season

By Fred Miles

"The material looks very lean this year, boys, and you are going to have to really fight for every game you win." These were Mr. Navins' words at the end of the first practice. This prediction turned out, for the most part, wrong. Although every game was close and hard-fought, the team broke four school records. It was the highest scoring team and had the best record, with 9 games won and 2 lost, in the history of the Academy. Besides that, they beat both Andover and Medford for the first time.

The team journeyed to K.U.A. to open the season with a 3-to-1 victory. Then came a heartbreaker, Exeter. With 5 minutes to go the score was tied up at 1-1 when Exeter booted in 3 quick goals. Belmont Hill was defeated, 5-0, in the next game.

Then came the tilt with Andover. The team was really pitched for this game and played excellent soccer. After a scoreless first quarter Andover scored at the beginning of the second quarter on a penalty kick. The team retaliated and Ash Eames booted in a pass from Morgan. In the last half Ash scored two more to clinch the game.

Next, on Parents' Day, came Milton, also doomed to defeat. It was a hot day and the play was sluggish but it didn't stop the team from scoring 4 goals to Milton's 2. Watertown High went down down next in a 1-0 defeat. Then another hard blow hit the Governor's team. They played Milton a return game at Milton and lost, 1-0, in an extremely close and exciting game.

Off on another winning streak, we defeated Belmont High and St. Paul's each by a score of 2-1. Next we played Medford. Ash Eames started the scoring early giving us the lead at half-time. Then in the last quarter when Medford was pressing hard and threatening several times to score, Eames and Veasey made a break and Veasey scored on a beautiful pass from Eames. The team wound up the season by defeating Tabor, 5-0, in a torrent of wind and rain at Marion.

Our success of this season was due not only to the spirit, drive, adaptability and determination of the team, but also to the expert coaching of Mr. Navins and Mr. Traver, and to the superior leadership of co-captains Pete Houston and John Morgan.

The Hockey Season

By Hoover Sutton

In spite of unceasing snow storms, the Governors played all but two of their scheduled games. Throughout the season the ice was good and the spirit high.

Our first game, with Belmont Hill, we lost, 6 to 2, a much better game than the score would seem to indicate. A week later we played Brooks on our own rink. They scored early in the game and maintained their lead until late in the last period, when, on a beautiful play, Ash Eames tallied to tie the score; and immediately afterward, the Governors scored again, to win the game, 2 to 1.

Three days later we met Middlesex, to win again, 4 to 3. Outstanding in this game were Web Dann, who scored three goals, and Pete Case in goal, who made many spectacular stops.

Stoneham High School was perhaps the best team we met all season. The game was played on the home ice, and in the first period Stoneham scored two goals to the Governors' one. After our opponents had scored two more there occurred the most memorable moments of the whole season, for we came up from behind and just missed defeating the favored team. We scored two goals in the last period, holding Stoneham scoreless through the splendid defense of Fred Miles and Pete Case.

The highlight of the season was the round-robin conference between four private schools in the Boston Garden. Our first game, with Belmont Hill, was by far the outstanding game of the series. The score was one all into the last minute of play, when Belmont scored to win, 2 to 1. Middlesex beat us in our next game, 2 to 0; and we defeated Brooks in our final game, 1 to 0, on a spectacular play by Dave Pierson.

Altogether the team's steady improvement and its aggressive hockey throughout the season made our 1948 series a very satisfactory one.

The Basketball Season

By Jack Canepa

Many basketball authorities who saw the Governor Dummer quintet in action this winter claim that this was the best team the school has ever turned out. The season's record was eleven wins and three losses. The team was sparked by the play of Rod Jennings, our six-foot-five center, who scored more than three-hundred points during the season.

Fritz Freeman, elected captain last year, proved to be a grand leader, a consistent scorer, and an able handler of the ball. Bob Deering, a junior playing his third year of varsity ball, was another great factor in our success. His skillful ball-handling and his timely baskets pulled the team out of many a hole. Probably his greatest feat was seen in the Lynn English High School game, when he threw in two spectacular shots in the closing minutes, to force the game into an overtime. Many spectators claim this to be one of the best games ever played on the home court. Although the Governors lost it by 59 to 58, the spirit and the fight of the team were very notable.

The other two players who made up the first team were Brock Martin and Frank DuGrenier. Brock was a good shot; and he gave a most creditable performance when he was called upon to cover Belmont High School's high-scoring ace, Jack Cain. Frank DuGrenier's fighting spirit and his work off the backboard made him a noteworthy player.

Mention must be made of the closing game of the season, an exciting victory over Huntington School, won in an overtime period.

A large degree of the credit for this successful season must go to Coach Navins, who had the confidence and the fullest co-operation of all the boys, and who exerted a wonderful influence making for high morale. He was ably assisted by Mr. King, who proved a constant asset to the team.

The Wrestling Season

By Taylor Pyke

The wrestling season opened unofficially before Christmas, when our coach, Mr. Miller, set to work getting the team into condition and teaching fundamentals to the new men. In January, after a fortnight's practice, we lost our first match by 22 to 10 in the Noble and Greenough gym. Here Gaudin pinned his man, while Palais won by a decision and Cumings drew. We next wrestled a practice meet with Exeter, where Gaudin, Cumings and Palais met first-string men. The rest of our team wrestled men more in our class. Here we won no matches but we gained valuable experience.

This practice paid in our next bout here, when we defeated Roxbury Latin School in a close, exciting match,—the first victory over Roxbury in the Governor's wrestling history. The next week, again at home, we beat Brooks School by 16 to 8. But following these too victories a strong Milton team trounced us, 27 to 0, before a large crowd in their gym. At St. Mark's we lost, 20 to 10; and on February 28th we suffered a 30-to-4 loss at the hands of Tabor's powerful team. This match was less one-sided than the score indicates, for several of the bouts were closely contested. We lost our last match match to a surprisingly good Browne and Nichols team by 20 to 10. Two first-string boys, Statler and Palais, were unable to wrestle in this match; and Dave King, a first-year man, did a good job by beating his powerful opponent. Gaudin pinned his man, while Cumings drew.

The squad owes a debt of thanks to Captain Gaudin, who set such a fine example through the season; and to its coach, Mr. Miller, who helped us in countless ways.

South Byfield, Nov. 10 (UP). This pleasant little community, situated on the rolling north shore of Essex County, was shaken to its feeble foundations this afternoon when Seth Moody, sexton of the Parish church, burning off the grass from the churchyard, situated immediately south of the parish house, witnessed a singular sight. Standing thoughtfully beside a grave simply marked P-O-O-B-A-H, Mr. Moody noticed a trembling of the mound underneath which reposed the old gentleman aforesaid. Looking skyward fearfully, Sexton Moody was on the point of apostrophizing his Maker when to his consternation a flashing light appeared, followed presently by brilliant red letters spelling out the cryptic message, "Beware, beware, his flashing eyes, his floating hair; Poobah rides again!" Both NBC and ABC have sent mobile broadcasting units to the spot. Thousands of pilgrims have gathered. Tents have mushroomed by the millions. The faithful are gathering.

The Glee Club

By Howard McIntyre

Having lost more than half its last year's members, the Glee Club looked very lean last fall. However, as rumors of happy romances resulting from the Club dances led them on, many recruits appeared. They soon learned to enjoy rehearsals, though whispers were frequently heard asking the whereabouts of the promised feminine pulchritude.

The day soon came when those flowery promises were to be fulfilled. Just before Christmas the Club set forth for the Winsor School in Boston. The program consisted mostly of Christmas songs, some of them carols in which the audience joined. A most enjoyable dance followed the concert, which was pronounced a great success.

The next performance was also in Boston, on January twenty-third, when the Club sang for the school alumni at the Harvard Club. The room's fine acoustics did the singing full justice. This trip was unique in that it gave the members a glimpse of what they will look like in a decade or so.

The next two concerts were with the Abbot Fidelio Society, on February twenty-eighth, and the Dana Hall Glee Club, on March sixth, both in our own gymnasium and both followed by delightful dances in the Cobb Room. It is worth noting that this concert with Dana Hall is the first in what we hope will be a long series.

Our season was highlighted by the presentation of Honegger's *King David* in a chorus of five-hundred mixed voices in Symphony Hall, accompanied by the Boston Symphony Orchestra under the baton of Malcolm Holmes. This was a great experience, that will be remembered by the singers for the rest of their lives.

On April twenty-fourth the last concert was given at Walnut Hill. Following this, the Club, as it has done for some years past, helped entertain the Academy's Commencement guests.

David Ellsworth served with distinction as president; he and Clifton George carried the solo parts; and the accompanists, Charles Arnold and William Judson, deserve much credit for their faithfulness and their enthusiasm.

The Governor Dummer Chapter of the *Cum Laude Society* received its charter on February 10, 1934. The purpose of the society is to promote scholarship and to recognize scholastic achievement. In secondary schools its function is, therefore, comparable to that of the Phi Beta Kappa Society in colleges.

The by-laws of the society state that to be eligible for election a student must attain a minimum standing of eighty percent during his senior year and must stand in the upper fifth of his class. A three-fourths vote of the faculty members is necessary for election; and the members are pledged to consider each candidate's record during the earlier years of his secondary school work, his diligence, particular abilities or deficiencies, and the nature and number of the courses on which his average is based.

This year the annual initiation banquet was held on Friday evening, May fourteenth. President Leonard Carmichael of Tufts College was the speaker.

SPECIAL PRIZES

To Josiah Hale Welch of Newburyport. A natural all-round athlete, Joe is our best tennis player in many years. A sound student and an outstanding citizen, he deserves a special prize.

To John Richmond Walker of Cohasset. As editor of the *Archon* and as chairman of two dance committees, John has had to reconcile the wishes of the administration and of the students. John is a leader and a diplomat, and so he has won the gratitude of Mrs. Eames and myself, as well as of his classmates.

To John Jerome Patterson of Winchester. During the winter season John was captain of a good basketball team; but through all the seasons he has been an unselfish and thoughtful boy.

To Robert Watson Peale of Olean, New York. From his sanctum in the stock room "Bishop" has dispensed authority and athletic equipment with equal facility. An individualist and an idealist, few boys have contributed more to their school.

To John Geddes Dowse of Joliet, Illinois. In studies and in athletics, Jack has always done his best. For his serene, equable disposition and his steady diligence, Jack deserves recognition.

To Jay Chamberlin Curtis of Hingham. Jay has the happy quality of producing, by hard work, more than is expected of him. . . in studies, in athletics, and in photography. This spring he even produced a dance orchestra which rejuvenated the faculty.

"Dutchie," long a friend to Governor Dummer boys, died last February.

150th Anniversary

As early as 1798 Messrs. Ames and Parker had set up a printing press in Andover. Enlarged during the early years of the nineteenth century through the enterprise of Dr. Eliphalet Pearson, the first principal of Phillips Academy, Andover, which had been established 20 years earlier, the press became widely known throughout the United States and many foreign countries through the publications printed for Harvard University and the Andover Theological Seminary.

The present Andover Press, building on noble traditions, is today perhaps the best-known school and college print shop in New England. Proud of a glorious past, but not satisfied to rest on its laurels, the press has kept pace with the times by enlarging its plant and adding modern equipment in all departments.

In its one hundred and fiftieth year, the Andover Press, Ltd., is proud to number among its publications the 1948 MILESTONE
